To Whom It May Concern:

I would like to take this opportunity to recommend Ellen Mantell for the Paul Harris Fellow award. I've know Ellen for a little over 2 years. She is an upstanding person with a high level of integrity. As Director of Food Services for First Christian Church, Ellen has proven to be faithful and hard-working.

I've personally asked Ellen on numerous occasions to coordinate and manage many facets of the large events we have at First Christian Church. Without hesitation, Ellen has stepped up and taken the challenge. We consistently have compliments on the events in which Ellen has been involved.

I believe Ellen is the perfect candidate for the honor of the Paul Harris Award. She is a dedicated individual who takes pride in giving her best.

Please contact me at 336-996-7388 if you have any questions.

The Rotary Foundation is a registered charity that supports the efforts of Rotary International to achieve world understanding and peace through international humanitarian, educational, and cultural exchange programs. It is supported solely by voluntary contributions from Rotarians and friends of the Foundation who share its vision of a better world.

Programs the Rotary Foundation supports include Polio Plus – a program designed to eradicate Polio from the world. It supports Humanitarian programs, including grants to fund club and district service projects – and global grants for international projects. The Foundation also supports educational programs – like global scholars, VTT, and Rotary World Peace Scholars.

50% of the money we donate to the Rotary Foundation comes back to our District. 50% goes to the World Fund, which we can apply for. The Paul Harris Fellowship is named for Paul Harris, who founded Rotary over 100 years ago. The Fellowship was established in his honor in 1957 to express appreciation and recognition for a contribution of US \$1000 to the Rotary Foundation. A Paul Harris Fellow is an

individual who contributes \$1,000 US or in whose name that amount is contributed. Every Paul Harris Fellow receives a pin, medallion and a certificate when he or she becomes a Fellow. This identifies the Paul Harris Fellow as an advocate of the Foundation's goals of world peace and international understanding.

While it is an honor to receive a Paul Harris Fellow, it's not about the recognition; it's about what we can do in the World as Rotarians.

Ellen Mantell you were selected today to receive this recognition because District 7690 and the Kernersville Rotary Club believes your life exemplifies the humanitarian and educational objectives of the Rotary Foundation. We thank you for demonstrating in your life and vocation a commitment to helping persons in need here and around the world.
